- **I have read and reviewed the CA information given to me via email by the Program Coordinator.**

  - I will receive a weekly stipend rate of $1,191.50/week. Candidates who fail the CA will only be paid for the days for which they participated in SIPPA.
- **I understand my Return of Service commitment:**
  - You are required to sign a three (3) year return of service (ROS) contract to enter the SIPPA program.
- **I understand the travel requirements to attend SIPPA:**
  - Unless communicated differently to the Candidate by their Regional Recruiter, it is the responsibility of the Candidate to book and pay for their travel to attend SIPPA. Should a Candidate be unsuccessful in the CA, the Candidate incurs all travel expenses (including arrival and departure flights) associated with participating in the SIPPA program.
- **I have reviewed the accommodation information for the CA as described to me by the Program Coordinator.**
  - Please note the OBASA Suites accommodation standard check in time is at 4:00 p.m. and check out time is 11:00 a.m. If your check in time is a concern, please contact your Regional Recruiter.
- **I understand the CA participation expectations:**
  - The Candidate is expected to participate in the CA with good faith, dedication and enthusiasm. To do so, we encourage all Candidates to attend the program independent of their families. With this in mind, please ensure that you have a plan in place for your family for the entire duration of the SIPPA program.

### Centralized Field Assessment (CFA) - Information/Requirements

- **I am aware of transportation requirements during my CFA:**
  - Some rural communities do not have adequate public transportation and you may be required to have a vehicle for the duration of your CFA and a valid Class 5 Driver’s License. I have discussed this with my Regional Health Authority and have a clear understanding of my responsibilities in this regard.
- **I understand the CFA program participation expectations:**
  - The Candidate is expected to participate in the Clinical Field Assessment with good faith, dedication and enthusiasm. To do so, we encourage all Candidates to attend the program independent of their families. With this in mind, please ensure that you have a plan in place for your family for the entire duration of the program.
